abusing his wife, furnished the required

bond and was released.

Foot RICE.—A foot race is talked of

SECOND FALL MEETING.

Sport at the Island Driving Park

Yesterday.

The second Fall meeting at the Island

Driving Park was inaugurated yesterday.

The day was as auspicious as could be

desired, but owing probably to annoy-

ments elsewhere, a very small crowd was

in attendance. The track was rather

heavy with dust, which was in some

places nearly three inches deep. This

was a great inconvenience to the horses

and we have no doubt better times would

have been made if the track had been in

better condition. However, the races

were interesting, and everything went off

swimmingly.

THE FIRST RACE

was a four-mile race, for a purse of

\$100. Six entries were made, as follows:

W. M. Dugan, of Morgantown, W. Va.,

George G. Reister, Perry Camp, of

Griffin, W. Va., W. M. Flint, of George

Wells, of Cleveland, O., M. Saratoga, J.

Myers, of Monroe county, O., J. Ken-

tucky Jim, A. Eisman, of Wheeling, W.

Va., W. M. Biddy Lynch. The horse Bay

Billy, formerly Blue Goose, was protested

against on account of the change of name,

and was accordingly not entered. The

horses came out as follows: Saratoga, 1,

2, 1; Flint, 3, 2, 2; Reister, 2, 3,

distanced; Kentucky Jim, 4, 4, distanced;

Biddy Lynch, distanced. Time—2:50,

2:43, 2:41, 2:43.

2:40 Trot for \$250.

The next race called was a 2:40 trot for

a purse of \$250. Three entries were

made, as follows: Carl Wilson, of Youngs-

town, Ohio, entered b. m. Frank; John

Hines, of Minerva, O., b. g. Jim; O. D.

Tipton, of Cadiz, Ohio, b. a. Hiatoga

Chief.

Summary: Frank, 1, 2, 1; Hiatoga

Chief, 2, 1, 3; Jim, 2, 3, 2. Time—

2:52, 3:00, 2:55, 2:53.

Hiatoga Chief could evidently have

made better time, but did not want a

record.

THREE RACES TO-DAY.

The four-mile trot for \$100, which

had been arranged for yesterday, was

postponed until 2 o'clock this afternoon.

The entries for this race are: J. Embury,

Morgantown, W. Va., b. g. Revenge; A.

Eisman, Wheeling, b. g. Jerry Hoover;

A. T. Forsythe, Paris, Ky., b. g. Light-

ning; John Hines, Minerva, O., b. g. Bay

Jim; O. D. Tipton, Cadiz, O., Hiatoga

Chief.

A 2:35 trot for a purse of \$200 will also

take place to-day. Entries for this race

are as follows: A. M. Wells, Ontario,

Canada, ch. m. Kitty Wells; A. M. Wil-

son, Youngstown, Ohio, b. m. Frank;

Wm. Ripple, a. g. Steep Sam. There will

also be a trotting race for a purse of

\$100, the time to be the nearest to three

minutes.

We understand that Messrs. Hancher

& Umpleby, the proprietors, propose to

continue the races on Saturday. The

meeting will probably be better attended

the balance of the week.

Circuit Court.—The Circuit Court

convened yesterday morning at 9 o'clock

for the transaction of business.

The hearing of the Strander murder

case was set for the second day of No-

vember.

In the case of the State vs. Babcock

and Hetchel, a motion was entered on account

of the absence of the prosecuting witness,

Joseph Blanchong. The defendants were

charged with taking a watch and some

money from the person of Blanchong in the

Sixth Ward about a year ago, when he

was in an intoxicated condition. Blanchong

recently returned to France, thus

terminating the suit.

A motion was entered in the case of Kin-

son Gray, a little colored boy, who was

charged with the larceny of money from

A. C. Egerton's store in the Second Ward.

This action was taken because Gray is

under fourteen years of age, and therefore

not arrived at years of discretion.

The case of Thos. Hughes, charged

with assault with intent to kill Dennis

Mesghan, was continued until Saturday.

Court adjourned until this morning at 9

o'clock.

REMAILING NEWSPAPERS.—The rules

relative to the remailing of newspapers

are as follows: When a subscriber to a

newspaper changes his residence and de-

lives his paper forwarded to his new

office, transients of postage—one cent

for each two ounces or fraction thereof—

must be charged on each copy as received;

if, therefore, can not be forwarded

unless the party addressed supply the for-

warding postage with stamps therefor

until he can notify the publisher to

change the address to the new office. If

a party receives a paper from the office of

publication and remails it, he must pay

postage on it at the rate of one cent for

each two ounces, or fraction thereof. A

request to return upon the wrapper of a

newspaper or other matter mailed at less

than letter rates of postage is not to be

regarded by postmasters except they are

furnished with the postage at transient

rates for such purpose.

MEETING OF STEAMBOAT CAPTAINS.—

From the Pittsburgh Commercial we learn

that an informal meeting of steamboat

Captains was held in that city on Tues-

day afternoon, to consult and make ar-

rangements for the organization of an as-

sociation of steamboatmen, with a view

of furthering the interests of those en-

gaged in steamboating, as well as of peo-

ple who do business with them. It is con-

templated, we understand, to establish

certain rules and regulations in regard to

the carrying of freight on our rivers,

which will be uniform in their operations,

and approximate as nearly as possible to

the regularity and system which charac-

acterizes similar transactions by rail.

HEARINGS POSTPONED.—The examina-

tion of the case of the State vs. Wm. and

Maggie Greenworth, charged by Helen

Duncan with disturbing the peace, were

yesterday postponed by "Squire" Caldwell

until Tuesday evening next at 7 o'clock.

The defendants in these cases had two

peace warrants issued against Helen

Duncan, and one against Jane Gorbey.

These cases will also be heard on Tues-

day evening.

HAND-IN-HAND.—The leaves of the

marriage license books were never so

often turned as now, and it seems as if an-

nouncements of engagements are the order

of the day.

A. H. Clark, at 10th and 11th Sts.,

is life to those who play him.

More hand-in-hand, from dawn to dusk,

each morning nearer Paradise.

POLICE COURT.—Three disorderly cases

compelled the docket at the police court

yesterday morning. George Chasparow, in

default of \$5 and costs, was sent up for

ten days. Margaret Cronworth paid \$1

and costs, and Wm. Cronworth was dis-

charged.

CHILD can be bought for \$4 per barrel.

THE SEWER ON TWENTY-FOURTH

STREET.—The large sewer on 24th street,

the construction of which was nominally

undertaken by George Crumbacker, but

is actually being built by John Boring, is

progressing rapidly enough, if it were

only in accordance with the contract.

Members of the Committee on Streets

and Alleys have visited the work; they

have gone inside the sewer and after a

personal inspection say that the work is

being done according to the contract.

If our memory serves us right the con-

tract ratified by the City Council specifies

that the brick work shall be laid in full

course of brick a layer of cement covering

the surface of the brick, and not merely

dashed along the outer edge of the circle.

Again it is said by that portion of the

committee who have examined the work,

that the entire under part of the circle is

laid with dry brick, there being no mor-

tar either under the brick or between

them. So far as we observed, the por-

tion of the bottom of the sewer that was

not built over and covered up

was laid in that way. There was no mor-

tar or cement visible to the naked eye. If

we understand the object of using ce-

ment in such a structure, it is that the

cement becomes as firm as

stone and adds immensely to the solid-

ity and durability of the work. If we

right, and the contract calls for full ce-
